□□□□ time

I kept walking when I stopped and looked around,  
Then I met eyes with you  
I quickly turned my head and stared at my feet,  
Then I slowly looked up  
My eyes widen, my lips slowly part  
My heart is ringing in my ears

60 seconds is enough for this story,  
You have entered my heart  
I don't doubt that you have  
Taken me in this not-so-short time  
That's the kind of person you are, a story that's enough for me  
I don't need a reason  
You made my heart flutter and you made me find you,  
That first time

Your voice gets choppy and the tears  
Slowly rise and overflow  
I hug you in my arms for a while  
And slowly let you go  
My eyes go blank and my lips lost all words  
My heart stops at the sound of your sighs

60 seconds is enough for this story,  
You have disappeared from my life  
I didn't hold onto you,  
I saw your heart in this not-so-short time  
That's the kind of person you are, a story that's enough for me  
You're message has been clearly told  
You said you were hurting and I let you go,  
That last time

Not even after a minute, just in 60 seconds,  
You settle into my heart  
You made me dream of you every day,  
But why is it a story of yesterday for you?

I rewind and stop at your happy image  
I smile as well, is this what love is?  
I felt it a little  
I was once lacking in emotion but the times  
With you will last forever

60 seconds is enough for this story,  
It was a hot and cold time  
Both are memories that you gave to me,  
A not-so-short time  
That's the kind of person you are, a story that's enough for me  
A memory that's like both sides of a sword  
I can't cry but I can't smile,  
That cherished time
