Ooh yeah
Ooh yeah
Ooh yeah
Ooh yeah

Ooh yeah
Ooh yeah

When I look into my heart
That I silently kept
Precious days are endlessly spread out

I was quietly looking over
As I gathered my scattered breaths
Then I blew in warmth into the cold air

I miss so many things
So I'm closing my eyes just a little longer
As if I'm still traveling

Between the memories
Between the seasons
All the moments that were forgotten
I'm bringing them back again one by one

Between yesterday and today
With tomorrow hidden away
I'm closing my eyes for a moment

The crinkling leaves under my toes
Suddenly become white snow
As it slightly wets my feet

Along with my built up
Hopes and dreams
I'm placing you in this white scene

I'm thankful for so much
So I'm standing here for a little longer
Ooh uh yeah
As if I'm still traveling

Between the memories
Between the seasons
All the moments that were forgotten
I'm bringing them back again one by one

Between yesterday and today
With tomorrow hidden away
I'm closing my eyes for a moment

As if to get my breath back
I'm leaning on a corner of a memory
And when I exhale all the tired emotions
It gets so clear

Between the memories
Between the seasons

So all the moments that remain
Won't fade

Between yesterday and today
With tomorrow hidden away
I'm closing my eyes for a moment

Ooh yeah
Ooh yeah
Ooh yeah
Ooh yeah
