It's all over, I forgot it all  
Finally, I've erased you  
It was so long, it was so hard  
But I'm saying goodbye to this break up

It has all ended, it has all stopped  
Finally, light is coming down  
The stormy rain and wind  
Has finally stopped but

Your memories  
Wrap around me again  
Even when I take one step  
I get drenched with you  
The place I left you  
The place I ran away from  
It's the center of my memories of you  
I finally realize

After a break up that hasn't ended  
I'm saying goodbye to this break up  
The fate that has remained with me  
I try to escape from you  
I try to run far away  
But I'm swept up by you again

After a break up that hasn't ended  
I'm saying goodbye to this break up  
These feelings that I still have  
I can't forget you, I can't erase you  
With eyes filled with sin  
I'm trapped in your eyes  
Trapped

You were so beautiful  
We were so happy  
In your memories  
In the light of the memories  
I think I could live

But I don't think I can do this again  
I don't think I can pierce through you and leave  
In your photo  
I'm reflected in those eyes  
I still can't do anything  
So I'm crying

Your eyes, your face  
They sweep me up again

You fall as rain that are like prison bars  
Closing up my heart

After a break up that hasn't ended  
I'm saying goodbye to this break up  
The fate that has remained with me  
I try to escape from you  
I try to run far away  
But I'm swept up by you again

After a break up that hasn't ended  
I'm saying goodbye to this break up  
These feelings that I still have  
I can't forget you, I can't erase you  
With eyes filled with sin  
I'm trapped in your eyes  
Trapped
