

## At Your Command

Informatik

All limits are clear, so begin the simulation  
Bodies in motion tend towards stimulation  
It's my turn to feel a little restricted  
To be submissive as the pleasure's inflicted  
Get what's coming to me, and maybe duly  
I'll know what it's like to be the other truly

Now I'm at your command  
I'm at your command

Praying, yearning, longing, burning  
Craving, needing, begging, pleading  
Doing everything within your power  
Make me lose myself and all track of the hour
