

Going, Going Gone

Information Society

Sometimes, looking back, I can't
Believe how many times I left her
I guess it's all part of the game
That we play

All is fair in love and war
But in this case they're quite the same thing
What's the difference if I go
Or if I stay?

I tried to tell her
I was not the only one to turn to
But she was indifferent to my pleas

And now she's going, going, gone
And I did nothing wrong
But she's going, going, gone

If I disappeared tonight
It would not change her mind about me
She's in love with someone who has changed
Since that day

She tried to show me
I was not the only one to turn to
But I won't get down on my knees

Until she's going, going, gone (she's going, gone)
And I did nothing wrong (she's going, gone)
But she's going, going, gone (she's going, gone)
And I did nothing wrong (she's going, gone)
But she's going, going, gone

Until she's going, going, going, going, going, going, gone (she
's going, gone)
And I did nothing wrong (she's going, gone)
But she's going, going, gone (she's going, gone)
And I did nothing wrong (she's going, gone)
But she's going, going, gone

(She's going, gone...)
