

## Butchered and Devoured

Ingested

Fucking hammer to the face, ditch the body leave no trace  
Bite the corpse while it's still fresh, slice my blade through  
human flesh

Butchered, devoured, consumed  
Lacerate, decapitate, eviscerate, mutilate

Tie the bastard to the chair, gag their mouth and strip them bare  
Break their nose and smash their jaw, then cut their head off with a saw

Butchered, devoured, consumed  
Lacerate, decapitate, eviscerate, mutilate

Smashed up, body beaten hands are bound  
Emotionless, silent killer never found  
Face down, butchered bastard's grip releases  
Masticate, cut the carcass into pieces

Butcher, sifting through the blood and shit  
Lacerate, the vaginal wall is split

Butchered, devoured, consumed  
Lacerate, decapitate, eviscerate, mutilate
