Ingested

You fucking slut, I can't look at your ugly face
Yo fucking cunt, you're a whore you fucking disgrace
I'll make you die for me
This time I'll make this bitch disappear, this dirty hoe
I can smell her cunt from over here
Cocksucker
Fucking fester
Jizz loving
Dirty bitch
Dick eater
Dead and rotten
This putrid
Dirty fucking
Whore
You dirty fucking whore
Cocksucker
Fucking fester
Jizz loving
Dirty bitch
Dick eater
Dead and rotten
This putrid
Dirty fucking
Whore
This fucking slut doesn't know I'm sick
She'll fucking know when I feed this bitch her fucking shit
She'll yield to my demands, my deviation
I'll bend this bitch right over, and stab her cunt
Deviant
My sick thrill
Miscreant, I'll feed this whore to the worms
No life for this fucking disgusting waste of flesh
I'll cast her corpse into a pit of endless nightmares
Her soul, alone to fester, for all eternity
I'll cast her corpse into a pit of endless nightmares
Her soul, alone to fester, for all eternity
To rot alone through the years
To rot alone through the years
As I search for one more whore, to smash into the fucking floor
I'll peel off all her skin and revel in my evil sin
