

## Purveyors of Truth

Ingested

The crowd looks up in awe  
It was the smoke without the fire  
All so quick to pass your judgement  
Now we throw you on the pyre  
Who said this and who did what?  
It makes no difference when you're fucking burning  
Maybe if you focused on your lives  
Then the world could keep on turning

Call them out quick, fucking delete  
Start the witch hunt, write out your speech  
Rinse and repeat, drama loving culture of cowards  
Dying to be the first to cast the stone

Oh shit, your porcelain mask has spilled  
They're not the ones who's the fucking victim  
Your whole morality upside down  
Swimming in the sea of deceit, now fucking drown

We don't give a fuck about your status  
White knights and call out queens  
All I see is rooks, ravens and vultures  
Peeking at the feet of the kings  
Quick to point the righteous finger  
Quicker to backtrack with the proof  
No one asked your vapid opinions  
Pawns, not the purveyors of truth

Call them out quick, fucking delete  
Start the witch hunt, write out your speech  
Rinse and repeat, conceited

Innocence, insolvable  
Guilty by generation  
Social sadists  
Sniveling subordinate  
Unimpressed unbreakable  
Debase, desist

The crowd looks up in awe  
It was the smoke without the fire  
All so quick to pass your judgement  
Now we throw you on the pyre  
Who said this and who did what?  
It makes no difference when you're fucking burning  
Maybe if you focused on your lives  
Then the world could keep on turning

Egocentric and fragile  
Are you only mad 'cause we've described you?  
Moral indignation  
Are you only mad 'cause we've described you?  
Brainwashed bastards, condemn them  
Are you only mad 'cause we've described you?  
Good

Your whole morality upside down

Swimming in the sea of deceit, now fucking drown  
Are you only mad 'cause we've described you?

Quick to point the righteous finger  
Quicker to backtrack with the proof  
No one asked your vapid opinions  
Pawns, not the purveyors of truth

All I see is rooks, ravens and vultures  
Peeking at the feet of the kings  
Now who's the fucking victim?
