

I Don't Know You

Inglorious

I took a bullet for you
But it was you, who pulled the trigger
Silence grew, oh, but the pain dug deeper

You pushed the knife in
And it's you who acted like you bleed

I don't know you
I don't know you at all
I don't know you
I don't know you at all
I was lost I didn't know myself
You were in love with someone else
I don't know you, at all

Don't touch my heart
With your dirty hands
Oh, losing you, oh
Was my biggest
Oh, my biggest win

You pushed the knife in
And it's you who acts like you bleed

I don't know you
I don't know you at all
I don't know you
I don't know you at all
I was lost I didn't know myself
You were in love with someone else
I don't know you, at all
Oh, at all

I don't know you
I don't know you at all
I don't know you
I've been lost so many times
I was lost I didn't know myself
You were in love with someone else
I don't know you, at all
(I don't know you)
(I don't know you at all)
I was lost I didn't know myself
You were in love with someone else
I don't know you, at all
