

Queen Of The Night

Inglorious

I've got the stuff that you want
I've got the thing that you need
I've got more than enough
To make you drop to your knees
'Cause I'm the queen of the night
The queen of the night
Oh yeah

Don't make no difference if I'm wrong or I'm right
I've got the feeling and I'm willing tonight
Well, I ain't nobody's angel
What can I say? Well, I'm just that way

I've got the stuff that you want (stuff that you want)
I've got the thing that you need (thing that you need)
I've got more than enough
To make you drop to your knees
'Cause I'm the queen of the night (queen of the night)
The queen of the night (queen of the night)
Oh yeah, oh yeah, just say it, say it, say
'Cause I'm the queen of the night (queen of the night)
The queen of the night (queen of the night)
Oh yeah, oh yeah, oh yeah yeah

You've got a problem with the way that I am
They say I'm trouble and I don't give a damn
But when I'm bad, I know I'm better
I just wanna get loose, and turn it up for you, baby

I've got the stuff that you want (stuff that you want)
I've got the thing that you need (thing that you need)
I've got more than enough (more than enough)
To make you drop to your knees (ooh)
'Cause I'm the queen of the night (queen of the night)
The queen of the night (queen of the night)
Oh yeah, oh yeah, just say it, say it again
'Cause I'm the queen of the night (the queen of the night)
The queen of the night
Oh yeah, oh yeah, oh yeah yeah

I've got the stuff that you want (stuff that you want)
I've got the thing that you need (thing that you need)
I've got more than enough (more than enough)
To make you drop to your knees (to make you drop)
'Cause I'm the queen of the night (queen of the night)
The queen of the night (queen of the night)
Oh yeah, oh yeah, say it again
'Cause I'm the queen of the night (queen of the night)
The queen of the night (queen of the night)
Oh yeah, oh yeah, oh yeah yeah
'Cause I'm the queen of the night (the queen of the night)
The queen of the night
Oh yeah, oh yeah, oh yeah, oh yeah yeah
'Cause I'm the queen of the night (say I am your queen)
The queen of the night
Oh yeah, oh yeah, oh yeah yeah
