

Read All About It

Inglorious

Ain't gonna fake it
And live the life you dream of
What you been saying

Don't paint a picture of us
Oh no

You're overrated
You gave it all that you got no
Now I'm stating
That it just ain't good enough

I'm telling you
I don't waste my time
Don't change my mind
Instead of asking me hunny
Read it all about it singing
I don't waste my time
Don't change my mind
Instead of asking me hunny
Read it all about it

Took all my patience
Took every bit of my pride
You demonstrated
I took it all in my stride

I'm telling you
I don't waste my time
Don't change my mind
Instead of asking me hunny
Read it all about it singing
I don't waste my time
Don't change my mind
Instead of asking me hunny
Read it all about it

I'm telling you
I don't waste my time
Don't change my mind
Instead of asking me hunny
Read it all about it singing
I don't waste my time
Don't change my mind
Instead of asking me hunny
Read it all about it

Ain't gonna waste my time
Ain't gonna change my mind
Ain't gonna stand in line
I'm gonna tell you tonight

Ain't gonna waste my time
Ain't gonna change my mind
Ain't gonna stand in line
I'm gonna tell you tonight
