Warning

Inglorious

Oh yeah!

Oh, help me, father, you gave me a warning
But I can't stop taking, this time it is gonna catch me

Mind is spinning round
Hands are shaking

How am I gonna cut loose from this stuff
I need it, please, save me, I can't get enough wrong or right!

Oh, help me, mother, you gave me a warning
Told me 'bout trouble and how difficult life can be, oh

Mind is spinning round
Hands are shaking

How am I gonna cut loose from this stuff
I need it, please, save me, I can't get enough wrong or right!

Yeah!...

I need it, please, save me, I can't get enough wrong or right!
Yeah!...

Told me 'bout trouble and how difficult life can be, yeah
I can't get enough wrong or right
Yeah, oh, no!...
