While She Sleeps

Inglorious

It's getting colder
The lights are low
There's just one thing
I gotta know
Why did you trade it
It all for this
When I had hope

You've made mistakes
I've made them too
I never ended up like you
We are a union
Don't let it go
Or die alone

Trouble finds you
And you're in hot water now
I'll tell your daughter that
You're doing just fine

But in your high heels, honey
You gotta earn your keep
Keep the fire burning
While she sleeps, oh
Make your money
Coz all your talk is cheap
Lay her down and pray
Her soul to keep

I look for angels
That I can trust
I question my belief in us
You took for granted
I gave too much
Always chose us

Trouble finds you
And you're in hot water now
I'll tell your daughter that
You're doing just fine

But in your high heels, honey
You gotta earn your keep
Keep the fire burning
While she sleeps, oh
Make your money
Coz all your talk is cheap
Lay her down and pray
Her soul to keep

Trouble finds you
And you're in hot water now
I'll tell your daughter that
You're doing just fine

But in your high heels, honey
You gotta earn your keep

Keep the fire burning
While she sleeps, oh
Make your money
Coz all your talk is cheap
Lay her down and pray
Her soul to keep

Put on your high heels, honey
You gotta earn your keep
Keep the fire burning
While she sleeps, oh
Make your money
Coz all your talk is cheap
Lay her down and pray
Her soul to keep
Oh...
