

## Cold In California

Ingram Hill

Didn't anybody know  
Didn't tell anybody else that I was gonna go  
Didn't anybody see  
Didn't tell anybody else that I was leaving  
Didn't anybody stay  
Didn't tell anybody else what I was gonna say  
Didn't anybody cry  
Didn't tell anybody else that I was gonna die

Do you know that it gets cold in California  
Well I guess I'll miss my home in Tennessee  
Be sure to bring your coat to California  
When you come find me

Well, I guess I'll miss my home in Tennessee  
(I'm goin' to Memphis, I'm goin', I'm goin' to Memphis)
