On My Way

Ingram Hill

I don't want your old letters And I don't want to be friends I've had enough to last a lifetime and I don't wanna go again I don't have to find a reason And I don't have to answer why It doesn't matter who is wrong here I just wanna see you cry

And on my way I'll take the sunshine On my way I'll take your dreams On my way I'll say I'm sorry to no one but me

Let your family know I'm leavin Lie to your girlfriends that you're well Call and leave a cryin' message I wanna know it hurts like hell

And on my way I'll take the sunshine on my way I'll take your dreams On my way I'll say I'm sorry to no one but me On my way I'll be my own man And I'll only please myself On my way my pride's the only feeling I've got left
