Wish I had angel wings, so I could bring a piece of Heaven to you
Erase my yesterdays, perfect slate, start it all over
But I can't give you a heart that's never been stolen
(Never been stolen)
And I can't give you a heart that's never been broken
(Never been broken)

But you got all the love I have
I ain't holding nothing back
All the love I have
And you'll never have to ask
I know it don't look like much right now
But you're getting every ounce
Of all the love I have
And I never want it back

I'm a kaleidoscope, never know what you're looking at
It might be way too much or not enough, I wish I could
But I can't give you a heart that's never been stolen
(Never been stolen)
Mmm, and I can't give you a heart that's never been broken
(Never been broken)

But you got all the love I have
I ain't holding nothing back
All the love I have
And you'll never have to ask
I know it don't look like much right now
But you're getting every ounce
Of all the love I have
And I never want it back (Oh, woo)

(Ooh, ooh, ooh) All of the love
(Ooh, ooh, ooh) Baby, all of the love
(Ooh, ooh, ooh, ooh-ooh) Ooh, ooh
(Ooh, ooh, ooh)
(Ooh, ooh, ooh) Ooh, ooh
(Ooh, ooh, ooh, ooh-ooh) All of the love

But you got all the love I have
I ain't holding nothing back
All the love I have
And you'll never have to ask
I know it don't look like much right now
But you're getting every ounce
Of all the love I have
And I never want it back
