

# Forever

Ingrid Michaelson

I have some pie, you want some pie?

Sure

God he looks good  
In that shirt, in those pants

It's apple

Works for me!

In that shirt, in those pants  
I wanna rip 'em off  
With my teeth

God, he smells good  
Just like wood in the rain  
And I'm feeling that pain  
I'm feeling that old pain only he can give  
He can give right here

I'm never going back, I'm staying right here forever  
I finally made it home I'm living and dying right here  
Maybe on this table  
Which I bet he built himself

Hey, where'd you get this table?

Uh, I built it

Mmm...

Ooh...

I can't believe she's sitting there  
Just sitting at the table that I built for her  
She looks so pretty  
I like the little lines around her eyes  
I wish I knew what put them there  
She looks so pretty

I'm never letting go, I'm holding her here  
Forever

I'm never going back, I'm staying right here

I've finally got her home, I'm keeping her here

Forever if I'm able

Uh, hey, you still hungry?

Well, I'm always hungry

Well how 'bout dinner?

Sure

Ah come on, I know a place

And so it begins  
I remember her skin and the curve of her back  
The look in her eyes that only I can bring  
I can bring her here

His body, his hands  
They're the same but not quite the same  
And his mouth makes me ache  
I can't see straight  
Oh, I just don't care  
Just breathe the air with him

Ah...

Ah...

Is this our dock?

Yup, still standing

Oh, okay, I see. Dinner?

Don't ever leave again

Why didn't you write me?

Oh, uh, here  
Here  
Take this

Thanks

Don't ever leave again

Why didn't you write me?

Don't ever leave me again

Uhh, maybe we should head back?

Wait! I used to love to play in the rain

Ah, ah  
Ah, ah  
Ah, ah  
Ah, ah  
Ah, ah  
Ah, ah  
Ah, ah  
Ah, ah  
Ah...

No. Why didn't you write to me?

Wh- what are you talking about?

You said you would write to me and you didn't!

I wrote you a letter every day for a year

You did?

Of course I wrote you

I didn't get any letters

But I sent them!

I swear to you, I did

I thought you'd forgotten me

Allie, I could never forget you

Okay, now we should go

Don't ever leave

I'm never going back

Don't ever leave

I'm never going back

Don't leave me now

Don't leave me then

Don't ever leave me again
