

# I Know

Ingrid Michaelson

I know  
Your hands  
I've seen them  
Wrapped around a baby girl  
I have a girl  
I have a boy  
He has your hands  
'Scuse me if I pull away  
I just don't quite know what to say  
It's like I'm in a memory  
Of a memory of a memory  
But I know, I know  
Your hands

Where do I go?  
When I go?  
When I disappear?  
Where do I go?  
Where do I go?  
Help me  
Help me while I'm here  
I know

I know

Your eyes

Eyes

I've seen through them a thousand times  
Is that right?

Yes, that's right

It's like I'm in a dream within a dream within a dream within a dream

Where do we go?  
When we go?  
When we disappear?  
Where do we go?  
Where do we go?

Help me, Noah  
Help me while I'm here
