

I Wanna Go Back

Ingrid Michaelson

I wanna go back, I wanna go back to the good old days
Counting up kids
Counting the lines written on our faces

I wanna tell you your eyes are as clear as the day we met

These things we forget
That I

I am still in here

I'm waiting for you

To come let me out dear

Is it time for dinner?
Is it time for forever?
I didn't know that the last time I'd leave the house
Was the last time I'd leave the house

I wanna turn left and get off this road heading nowhere fast
Why is this happening, am I being punished
For something inside of my past

Life has a funny way of speeding up the older that you get
I'm in love with all the things that I forget

I am still in here

I am still in here

I'm waiting for

You
To come let me out dear
Is it time for dinner?
Is it time for forever?

I didn't know that the last time I'd leave the house
Was the last time I'd leave the house

Take me back one day, take me back

I promise I'll be good, one day

Take me back one day

And I
I am still in here
I'm waiting for you
To come let me out, dear
And it's time for dinner
It's time for forever

I didn't know that the last time I'd leave my house

I didn't know

Was the last time I'd see my house
