

Only You

Ingrid Michaelson

We walk around together
One night is like forever
Time standing still when I'm with you

Your face is like a painting
Una obra de arte
You don't even have to try to
You just do

I'm falling down
And I don't care
As long as you're there too

When I look in your eyes
It's like all of the world just disappears
It's only you
Tus labios son como el mar
Yo nado y nado y me quiero
Hundir en ti
It's only you

Te veo en cámara lenta
Y no hay tormenta que me saque de aquí
When I'm with you

I'm falling down
And I don't care
As long as you're there too

When I look in your eyes
It's like all of the world just disappears
It's only you
Tus labios son como el mar
Yo nado y nado y me quiero
Hundir en ti
It's only you

It's only you
That I see in my heart
That I see in my dreams
It's only you
It's only you
