If you were falling, then I would catch you.
You need a light, I'd find a match.

'Cause I love the way you say good morning.

And you take me the way I am.

If you are chilly, here take my sweater.
Your head is aching, I'll make it better.

'Cause I love the way you call me baby.
And you take me the way I am.

I'd buy you Rogaine when you start losing all your hair.
Sew on patches to all you tear.

'Cause I love you more than I could ever promise.

And you take me the way I am.

You take me the way I am.

You take me the way I am.
