

Alt Wrong

Ingrown

Don't know shit about the world
But you still open your mouth
Try to speak of culture
Can't back up all your talk
New wave of Hitler youth
Isolated hypocrite

Racist fucks
Don't know god damn shit
Fuck you

We all need thicker skin
But mostly on our knuckles
Fuckers don't listen
But they sure do feel
And a kick to the teeth
Is what gets through to them
No tolerance
