

## A Poise For Poison

Inhale Exhale

She works the crowd just like it's her job turning their heads  
and dropping their jaws. Forgive me my love I can not stay away  
from everything oh you're toxic and rotten to the core. Back t  
o progress things need improvement. Where should we go from her  
e? You fake day by

day a meaningless existence for what? She works the crowd just  
like it's her job turning their heads and dropping their jaws.  
Forgive me love I cannot stay away from everything oh you're t  
oxic and rotten to the core. Stumble. Your eyes have been pluck  
ed out by cupid;

winged freak. You can not be contained by the whores of our ge  
neration. Feel free to break those ties and walk away. Take bac  
k the reigns and gain control again. She works the cord just li  
ke it's her job turning their heads and dropping their jaws. Fo  
rgive me love I

cannot stay away from everything oh you're toxic and rotten to  
the core. Every man should have his freedom!
