

# Concrete

## Inhaler

Pissed on the sky  
I loosened my fist  
I'd swear above my heart, but it don't exist  
I'm just drunk on a dream, babe  
Awake I'm seething  
Numb to your grieving  
I know

Someday  
Without fail  
After it all  
The oak will fade  
And though my heart is full  
I know that I can't change

'Cause I, yeah  
I'm not plasticine  
Yeah, I'm  
I'm concrete

I know where I've been  
Can't answer for the stars  
What bleeding nears the end  
Of a failed start  
And dear bright eyes  
Too desperate to keep  
To some you're a cheat

And though  
Someday  
Without fail  
And after it all  
The oak will fade  
And though my heart is full  
I know that I can't change

'Cause I, I, I, I  
We'll stumble like children  
Through rubble  
And though my heart is full  
I know that I can't change

'Cause I, yeah  
I'm not plasticine  
Yeah, I'm  
Concrete  
I'm concrete, hey

Mm, mm

Mm, mm

Mm, mm

Mm, mm

Oh

Mm, mm

Oh

Mm, mm
