

It Won't Always Be Like This

Inhaler

Girl, you know this ain't love
I'm just a bedlam beggar with nothin' to do
It's on you
And oh, what else can I do?
You say that you're not around
And you don't wanna be found
Well, I wanna be the best at what I do
Oh, what about you? What about you?

Play me like a record, baby
Spin me around, turn me upside down
And you don't want me to
I'll pull the covers right up over your head

You're in my head
It won't always be like this, be like this
Again, honey, I'll be dead
It won't always be like this, always be like this

Girl, you know it ain't cool
Walkin' 'round and 'round in circles after you
Broken and bruised
But oh, what else can I do?

Play me like a record, baby
Spin me around, you turn me upside down
And you don't want me to
But I'll pull the covers right up over your head

You're in my head
It won't always be like this, always be like this
Again, honey, I'll be dead
It won't always be like this, always be like this

Always be like this
Now
Now you know
Now you know
Now you know
Now

In my head, in my head
It won't always be like this
Honey, I'll be dead when I'm dead
It won't always be like this
