

Oklahoma

Inhaler

I fell in love
With a girl from Oklahoma
While she did her make-up
Felt a little older

Oh
Oklahoma girl
Count the letters
On your arm
Oklahoma girl
Now you're gone

Told me to run
I just couldn't listen
Now you're gone
Only I can miss you

Oh
Oklahoma girl
Count the letters
On your arm
Oklahoma girl

Now you're gone

I don't know
If there's a way
To be a good daddy
Talk to your daughter
Like she ain't just a pretty face
And you can have the world
If you want it
Keeping the time
We're gonna elevate

Oklahoma girl
Count the letters
On your arm
Oklahoma girl
