

Control

Ini Kamoze

Hey do you ever really wonder what is in the water that you drink
nk laad
Who set da program and makin you motion when the tail is wagging
da dog
Who send the play bunny with the funny money rinse off and pay
for ya drinks
And when dem ready dem throw every thing at you including the kitchen
sink

Do you control your life
A no you control your life
Do you control your life
Benedict control your life
Do you control your life
Christobal control your life
Well a who control your life yeah

Ya prescription and all a ya pills pose off on ya medicine chest
Said it will cure anything but only thing one of the side effect is death
Preacher man have mama giving him every dollar she want to see the prophet
Forty years she looking for the Messiah and still cant see him yet

Hey Governor General you say you a me pal but the queen still pulling your string
If it was me you would see I hit the switch and would be she hanging off my limb
Prime Minister me know you register but is I why your ears dem ring
Its ok its alright I see it clear I see who mek your wheel dem spin
Yo IMF, US, G7, NATO its a gangsters world
Just be calm and fill out your form and report like my name is Earl
And in this jungle I try to protect my pearl
I still cant spell what the hell they put inna me ice cream swirl
