Ini Kamoze

I man no flesh  
I man nuh blood  
I a hardware and a wear it good  
I man no flesh. Don't say blood  
I a hardware and a wear it good

No carousing, no almshousing  
Dem ting I come kill  
Idle talking skylarking  
Think a that mek me skill

Don't believe in misbegaving  
It's against my will  
Di I know that I a rude boy  
Not because but still

I man no flesh  
I man a nuh blood  
I a hardware and a wear it good  
I man no flesh. Don't say blood  
I a hardware and a wear it good

Simple youth  
And nimble youth  
And bringle youth  
Sometime  
It's the truth, man. I will shoot  
And kill people with my mind

Don't be frightened  
'Cause I mightened  
Touch you up this time  
Put it in your pipe and smoke tonight  
And get yourself in line

I man no flesh  
I man a nuh blood  
I a hardware and a wear it good  
I man no flesh. Me nuh run blood  
I a hardware and a wear it good

I a hard  
I a hardware

I man no flesh  
I man a nuh blood  
I a hardware and a wear it good  
I man no flesh. Don't run blood  
I a hardware and a wear it good

Want to mention  
My intentions  
To the masses tonight  
Listen the talk  
And ketch di walk  
And make sure you flexing right

Idle talking skylarking  
Just might get you killed  
Misbegaving I don't believe in  
It's against my will

I man a no flesh  
I man a nuh blood  
I a hardware and a wear it good  
I man no flesh. Mi nuh run blood  
I a hardware and a wear it good

Simple youth  
And nimble youth  
And bringle youth  
Sometime  
It's the truth, man. I will shoot  
And kill people with my mind

Don't be frightened  
'Cause I mightened  
Brush you up this time  
Put it in your pipe and smoke tonight
