

Live A Little Love

Ini Kamoze

Oh hooy, oh hooy, oh hooy
Oh hooy, oh hooy, oh hooy

To live a little love with you
Is a joy to I and I
It comes from my heart, is no lie
To live a little love with you
Such joy for I and I
It comes from my heart, is no lie

Just a little love with you
Joy to I and I
It comes from my heart, ain't no lie
A little bit love with you
Joy to I and I
Comes from my heart, is no lie

They say, my heart
Shares for too many
Hey, what do you say?
They say, my thoughts
Worth no more than a penny
Hey, what do you say?

It's heartical, unconditional
Can ya deal with it, can ya deal with it?
Oh, child
I'm glad you came, oh praise Jah name
This, love will keep you fit
Love will keep you fit
Oh, child

To live a little love with you
What a joy to I and I
It comes from my heart, is no lie
To live a little love with you
Such a joy for I and I
It comes from my heart, is no lie

Just a little love with you
Joy to I and I
It comes from my heart, ain't no lie
A little bit love with you
Joy to I and I
It comes from my heart, ain't no lie

And they say, some Dread
Full up a too much reasoning
Hey, what do they know?
They say, some Dread
Don't have any feeling
Well, what do they know?

'Cause I see I, as an Irie I
Know what I mean, know what I mean, queen
And I know I, would never lie
Just to get a bly, just to get a bly, no I

To live a little love with you
Such a joy for I and I
What comes from my heart, ain't no lie
To live a little love with you
What a joy for I and I
It comes from my heart, is no lie

Just a little love with you
Joy to I and I
It comes from my heart, ain't no lie
A little bit love with you
Joy to I and I
It comes from my heart, ain't no lie

Oh hooy, oh hooy, oh hooy
Oh hooy, oh hooy, oh hooy
