Queen Of My House

Ini Kamoze

Queen of me house, I love you
So don't worry yourself
Queen of me house, I love you
So don't worry yourself

You're a mountain when I wanna climb
You show me signs of the times every time
Stick by me like a Siamese twin
I'll be your everything
I'll be your everything

Queen of me house, I love you
So don't worry yourself
Queen of me house, hey, that's you
So don't worry yourself

You never listen to no rumours
What people might say
How a Dread like me, just want to play
Finding fault is, not what you waan do
Love that you're loving is true
Love that you're loving is true

Queen of me house, hey, that's you
So don't worry yourself
Queen of me house, I love you
So don't worry yourself

You're solid, solid as a rock
You cover me front and back
Always there when I need you most
I'll be your pillar and post
I'll be your pillar and post

Queen of me house, I love you
So don't worry yourself
Queen of me house, hey, that's you
So don't worry yourself

Queen of me house, I love you
So don't worry yourself
Queen of me house, I love you
So don't worry yourself (worry yourself..)

Queen of me house, I love you
So don't worry yourself
Queen of me house, I love you
So don't worry yourself (worry yourself..)
