

# Lost

Inigo Pascual

Sitting out here the whole day  
Thinking maybe we could get away  
Baby, you and me run away, run away

We don't need to know where this goes  
All that matters to me is I got you  
No one has to know

You just gotta take my hand  
Breeze through the town and drift away  
Wild as the wind blows through your hair  
Gotta put your trust in me  
With you's where I'd rather be  
And there are no limits so let's get

Lost, in each other  
Baby, let's get lost, in each other  
Baby, let's get lost, yeah  
With you's where I'd rather be  
And there are no limits so let's get

Just give me your time  
And tell me you're mine  
We'll be lost in no time  
We can make it tonight  
No, it doesn't have to be right  
We can break the rules  
We can act a fool  
Long as I'm with you  
Nothing else matters, girl

You just gotta take my hand  
Breeze through the town and drift away  
Wild as the wind blows through your hair  
Gotta put your trust in me  
With you's where I'd rather be  
And there are no limits so let's get

Lost, in each other  
Baby, let's get lost, in each other  
Baby, let's get lost, yeah  
With you's where I'd rather be  
And there are no limits so let's get

Let me know where you wanna go  
Maybe Tokyo, we'll go round the globe  
Baby ride with me, don't you wanna see  
Nowhere we couldn't go  
Long as you're down to get

Lost, in each other  
Baby, let's get lost, in each other  
Baby, let's get lost, yeah  
With you's where I'd rather be  
And there are no limits so let's get

Now just give me your time

And tell me you're mine  
We'll be lost in no time  
We can make it tonight  
No, it doesn't have to be right  
We can break the rules  
We can act a fool  
Long as I'm with you  
Nothing else matters, girl

Nah, nah  
No, it doesn't matter where we go  
Let's get lost  
Let's get lost
