

Remember Me

Inigo Pascual

Remember me
Though I have to say goodbye
Remember me
Don't let it make you cry
For even if I'm far away I hold you in my heart
I sing a secret song to you each night we are apart

Remember me
Though I have to travel far
Remember me
Each time you hear a sad guitar
And know that I'm with you the only way that I can be
Until you're in my arms again
Remember me
Remember me

Remember me
Though I have to say goodbye
Remember me
Don't let it make you cry
For even if I'm far away I hold you in my heart
I sing a secret song to you each night we are apart

Remember me
For I will soon be gone
Remember me
And let the love we have live on
And know that I'm with you the only way that I can be
Until you're in my arms again
Remember me

If you close your eyes and let the music play
Keep our love alive, I'll never fade away
If you close your eyes and let the music play
Keep our love alive, I'll never fade away
If you close your eyes and let the music play
Keep our love alive, I'll never fade away

Remember me
For I will soon be gone
Remember me
And let the love we have live on
And know that I'm with you the only way that I can be
So until you're in my arms again
Remember me yeah
Remember me yeah
Remember me
