

Bruce Wayne

INJI

I ain't got a penny to my- penny to my name

Yeah it's been a shit year
But baby don't cry for me
When I gave him my heart
It was only mine to keep
Now I'm out with my girls
Gonna have a good time for me
Fill up my cup cause

I ain't got a penny to my name
808

Crank it up in the basement
I want you to be my Bruce Wayne
Night and day
I'mma wear you out like a bracelet
I know you wanna give me a chance
Baby let's dance
Done with conversation
I ain't got a penny to my name
