Boy, you lookin' so cute in that Polo  
But you're drivin' around in a Volvo  
I'm playin' with him like a yo-yo

"Bye, bye, bye", I said a "bye, bye, bye, bye, bye, bye"

Boy so sweet like Fanta  
Woulda got me in a Porsche Carrera  
He sayin' "girl you lookin' pretty on the camera"  
Give it up, I got money in my standards  
Pero, muy bonito, boy stop  
You know you could only get it in a drop top  
Yet you took the metro, step aside though  
Best you're gonna get is you could be my side hoe

Yeah, yeah, brand new Altima, she leased it  
Mix the saladito with the miche  
Baby girl, on her keys lo que dice  
Attitude smacking on her chicle  
Lemme tell ya', woah, woah, yeah, yeah  
Says she only fucks with ballas, I know that's cool  
But I could give you more than just some dollas  
Yeah, yeah, yo no hablo, no te entiendo  
Dice "Yo no hablo, no comprendo"  
Baby, 'ta apagada, yo te prendo  
Suicide doors, on the troca not the Lambo, prr  
I know she a lot to handle  
But fuck up my life, girl, let's take a gamble  
Run threw it like Rambo

Boy, I'm just playing with you  
Don't be so serious, but like

You know I'm sweet just like candy  
Rocking my Fendi, revvin' your car, you offend me  
'Cause your thing go ra-ta-ta  
Got a jew boy take me to his roshashana  
Si yo no hablo, a la turca  
But catch me down in Cabo doing zumba  
Heard that you don't ball, but they still call you a baller  
You can know my number, if you really wanna call her
