

THE ONE

INJI

I got two, three lovers in my life
Four, five fellas on my mind
Six, seven blowin' up my line
Eight, nine tellin' me I'm fine
I got two, three lovers in my life
Four, five fellas on my mind
Six, seven blowin' up my line
Eight, nine

But I just need the one
I gotta go find the one
No, they're not the one
I gotta go find the one

I got one minute then I've got to go
'Cause I'm too pretty to be on my own
But three's a crowd, and four's a party
G5 engine, six-gear Ferrari
It's a dream that we all have
Prince Charming, pretty in a top hat, wow
These boys tryna' shoot their shot
Unaware that he's not that hot

Every guy I see (Like John, Josh, Joe and Kevin)
Thinks they hold the key (The key for me to love them)
Put all of y'all together (Like literally all added up)
Still not good enough for me (Nope)

I got two, three lovers in my life
Four, five fellas on my mind
Six, seven blowin' up my line
Eight, nine tellin' me I'm fine
I got two, three lovers in my life
Four, five fellas on my mind
Six, seven blowin' up my line
Eight, nine

But I just need the one (I just need the one)
I gotta go find the one (I gotta go find the one)
No, they're not the one (No, they're not the one)
I gotta go find the one (No, they're not the-)
(No, they're not the-)

I'm countin' count to seven
They fight, it's armageddon
All of these boys be beggin'
Knee on the floor, want a wedding
I think you got the wrong impression
I got a whole cool car collection
Inbox full of that "Blah, blah, blah, blah"
So please don't leave a message

Every guy I see (Like every guy I see, uh)
Thinks they hold the key (Literally every single one of y'all)
Put all of y'all together (Put all of y'all together)
Still not good enough for me (Still not good enough for me)

Hey, baby, baby I need the one
Not y'all, I just need the one of y'all
Come on

I got two, three lovers in my life (Yeah, yeah)
Four, five fellas on my mind (Four, five)
Six, seven blowin' up my line (Yeah, yeah)
Eight, nine

But I just need the one (Ha-uh-aah, ha-uh-aah)
I gotta go find the one (Uh-ah, uh-ah, uh-ah)
No, they're not the one (Ha-uh-aah, ha-uh-aah)
I gotta go find the one (Uh-ah, uh-ah, uh-ah)
But I just need the one (I just need the one)
I gotta go find the one (I gotta go find the one)
No, they're not the one (No, they're not the one)
I gotta go find the one (No, they're not the-)
(No, they're not the-)

Ha-uh-aah, ha-uh-aah
Uh-ah, uh-ah, uh-ah
