

Forest Hill

Inkubus Sukkubus

Dance into a dream
Dance into the night
Into the scarlet and the green
Dance into the dream

To the enchanted realm
Come and fall again
To the Oak, the Ash and the Elm
Come and fall again

Underneath the autumn moon
Drunk on poopy wine
Lost, away with the Fae again
High on Forest Hill

Here the goblins be!
And spirits of the dead
Trapped beyond the veil
Lost forever in time
