

## The Goat

Inkubus Sukkubus

In the hot night as the moon rises higher  
He has come to quench your desire  
Here comes an angel to fan your fire  
To take you to the stars, take you higher  
Back from the days when the world was young  
Back from the days when life was fun  
It is him; he has come  
He is the Beast and he is the One

Horns of the Goat  
Hooves of the Goat  
The fire of the Goat is in the eyes of the Goat  
Hooves of the Goat  
Horns of the Goat  
The fire of the Goat is in the eyes of the Goat

In your hunger and in your lust  
He makes you do the things you must  
The red-hot flames are in your blood  
The red-hot flames of se\*\*\*\* love  
The god of madness will take your hand  
The god of madness lead you to the dance  
Lost in the rhythm, lost in the trance  
Lost in the fever, lost in the dance

Across the seas, across the sand  
These are all the lands of Pan  
Every fey, every woman and man  
You are all the babes of Pan

In the eyes of the Goat  
Is the fire of the Goat
