

Turnera

Inkubus Sukkubus

Spin a scene of ecstasies
Unfurl a world to ride your dreams
Glide on transient wings to morning
Slide beneath the joy machine
Turnera, dream-bearer, silent Amor
Turnera, love-sharer, thee I adore
Golden rays of glorious melting
Drown me in my reverie
Slip your nectar 'neath my tongue and
Carry us to fantasy
Turnera, dream-bearer, silent Amor
Turnera, love-sharer, thee I adore
Turnera, dream-bearer, chastity's fall
Turnera, love-sharer, silent Amor
Aphrodisia bittersweet
Granter of a worldly joy
Turnera, soul-barer
Pure and hedonistic toy
