

Blaze And Glory

Inkwell

On the day
On the day I die
I want someone to say

And on that day
On that lovely day
I want someone to say

I shouldn't have been so blind
It passed you everytime

So don't you go
Don't you go wasting time
On love and chemical reactions

So don't you go
Don't you go wasting time
On useless things like updated fashion

I shouldn't have been so blind

This is the push, this is the pull
And we will never feel the same, again
This is the rise, this is the fall
And we won't change, oh no
I guess we'll stop or never ever end

Forgiveness
Forgiveness is only for
Only for a guilty mind

Oh, and I just can't
I can't forgive myself
For being a little boring

I shouldn't have been so blind

This is the push, this is the pull
And we will never feel the same, again
This is the rise, this is the fall
And we won't change, oh no
I guess we'll stop or never ever end

You shouldn't have been so blind
It passed you every time
Every time

Did you really think a hand full of crimes
Would stop you, every time
Every time

You shouldn't have been so blind
It passed you every time
Every time

Do you really think a hand full of crimes
Would stop you, every time

Every time

This is the push
This is the push, this is the pull
And we will never feel the same, again
This is the rise, this is the fall
And we won't change, oh no
I guess we'll stop or never ever end
