

## Here's hoping

InMe

Shot down

You knew that I was lonely by the shiver in my voice  
It seems like everybody's hoping, but never make the right choice

And we hold on

And we're not afraid, we run to the sun  
I just wanted to know who you are  
It never ends my best friend  
I just wanted to see you, it feels like you've given up...

...On me, I can see it in your eyes  
Seems like everybody's coping, but we never make a stand

And we hold on

And we're not afraid, we run to the sun  
I just wanted to know who you are  
It never ends my best friend  
I just wanted to see you, it feels like you've given up  
It feels like you've given up

With my foot in my mouth I don't remember what I've said  
Best day of my life I don't remember  
Something tells me your not so innocent, we hold on

And we're not afraid, we run to the sun  
I just wanted to know who you are  
It never ends my best friend  
I just wanted to see you, it feels like you've given up

With my foot in my mouth I don't remember what I've said  
Best day of my life I don't remember  
With my foot in my mouth I don't remember what I've said  
Best day of my life I don't remember, I don't remember
