

I Swear

InMe

I guess, I guess you no longer want me around
(I swear, I swear)
Next encore just cannot wait
Best before I'm out of date

At a push I guess you are callin' time at the bar
(I swear, I swear)
Next encore just cannot wait
Best before

I swear I can be unkind
I'll reveal the monster inside
And I swear I gave you my all
I gave you my everything

Once again I guess you no longer want me around
(I swear, I swear)
Next encore just cannot wait
Best before

I promise, I swear I can be unkind
I'll reveal the monster inside
And I swear I gave you my all
I gave you my everything

I wanted it all, I wanted it all
So bad I couldn't give it up
And I swear I can be unkind
I'll reveal the monster inside

I swear I can be unkind
I'll reveal the monster inside
And I swear I gave you my all
I gave you my everything

I wanted it all, I wanted it all
So bad I couldn't give it up
And I swear I can be unkind
I'll reveal the monster inside
