Inna

In my life  
Everything is alright  
Everything is alright  
Everything is alright, yeah  
In my life  
Everything is alright  
Everything is alright  
Everything is alright, yeah

When I'm really high, don't know why  
In my dreams, in my life  
Time is passing little bit fast  
When life goes bad, I don't know  
Where to hide, where to go  
I don't really care about the past

I say  
O, I fall in love  
With your body, fall in love  
I say  
O, I fall in love  
I love you and I mean it  
O, I fall in love  
With your body, fall in love  
I say  
O, I fall in love  
With your body, fall in love

In my life  
Everything is alright  
Everything is alright  
Everything is alright, yeah  
In my life  
Everything is alright  
Everything is alright  
Everything is alright, yeah

In my life  
Everything is alright  
Everything is alright  
Everything is alright, yeah  
In my life  
Everything is alright  
Everything is alright  
Everything is alright, yeah

I say  
O-o-o o-o-o-o-o o-o-o o-o-o  
You say  
O-o-o o-o-o-o-o o-o-o o-o-o

I say  
O, I fall in love  
With your body, fall in love  
I say  
O, I fall in love  
I love you and I mean it

I say  
O, I fall in love  
With your body, fall in love  
I say  
O, I fall in love  
With your body, fall in love

In my life  
Everything is alright  
Everything is alright  
Everything is alright, yeah
