Inna

I hear you talking to me  
With your body, you speak  
I know, I know  
And I'm locked in your grip on my hips  
Baby, don't let go  
No, no, yeah  
You never lie-ie-ie  
You make a mess of my mi-i-ind, yeah

You blow me away, like ah  
You hit me with that super, duper, crazy, stupid love  
Sweet like hookah, dirty azucar

Yeah you hit me like bazoo-zoo-zooka  
Boom boom zoo-zoo-zooka  
Hit me like bazoo-zoo-zooka  
Love like bazoo-zoo-zooka

Yeah you hit me like bazoo-zoo-zooka  
Boom boom zoo-zoo-zooka  
Hit me like bazoo-zoo-zooka  
Love like bazoo-zoo-zooka

Bazooka  
Bazooka  
Bazooka  
Bazooka

Now what you do? What you do?  
How you do? I go boom  
Bazooka, bazooka  
You make me weak in my knees  
Hit me hard, hit me deep  
Bazooka, bazooka, yeah  
Too much, too much for me, ah  
You take control of me, yeah

You blow me away, like ah  
You hit me with that super, duper, crazy, stupid love  
Sweet like hookah, dirty azúcar

Yeah you hit me like bazoo-zoo-zooka  
Boom boom zoo-zoo-zooka  
Hit me like bazoo-zoo-zooka  
Love like bazoo-zoo-zooka

Yeah you hit me like bazoo-zoo-zooka  
Boom boom zoo-zoo-zooka  
Hit me like bazoo-zoo-zooka  
Love like bazoo-zoo-zooka

Bazooka
