

Deja Vu (feat. Bob Taylor)

Inna

No no no no no no no fire no fire I
I wanna feel the music higher and touch the sky
All over the world you drive me crazy you crazy boy
I wanna live with you a deja vu

I don't wanna lie I'm feeling so blue
So take me away So take me with you
Hey mystery girl I'm falling for you
I'm living tonight the last deja vu

No no no no no no no fire no fire eyes
I wanna feel the music higher and touch the sky
All over the world you drive me crazy you crazy boy
I wanna live with you a deja vu

La la la la la la...

I don't wanna live I'm feeling so blue
So take me away So take me with you
Hey mystery girl I'm falling for you
I'm living tonight the last deja vu

No no no no no no no fire no fire eyes
I wanna feel the music higher and touch the sky
All over the world you drive me crazy you crazy boy
I wanna live with you a deja vu

La la la la la la...

No no no no no no no fire no fire eyes
I wanna feel the music higher and touch the sky
All over the world you drive me crazy you crazy boy
I wanna live with you a deja vu

No no no no no no no fire no fire eyes
I wanna feel the music higher and touch the sky
All over the world you drive me crazy you crazy boy
I wanna live with you a deja vu
