

# Don't Mind

Inna

(Don't mind, don't mind)  
(Don't mind, don't mind)  
(Oh mami ay en el México)

Ven, acércate a mi cuerpo (ah si)  
Shake and baila con el ritmo (ah si)  
Hands on my waist, walk steady  
No time to waste, I'm ready  
Guantanamera, mera  
Swing my body, capuera (ah ah)  
No time to waste, murderer  
Work up the sweat, dum durum

Don't mind touching my body  
I don't mind taking me deeper now  
Don't lie you got excited  
Do you mind touching my body?  
Don't mind taking me deeper now  
All night over my body (all night)

Si me dices que me quieres (oh yeah)  
No me importa quién tu eres (no no)  
Let's take the whole night, baby  
Under the shore light, baby  
Y me gustas como nadie (ah si)  
No me importa lo que dicen (de mi)  
You waited the whole night, baby  
Now I'll make the sun shine for ya

Don't mind touching my body  
I don't mind taking me deeper now  
Don't lie you got excited  
Do you mind touching my body?  
Don't mind taking me deeper now  
All night over my body (all night)

Tú, tú no sabes honey que me gusta el party, pero no sin ti  
Pero no sin ti (bailo, bailo)  
Tú, tú no sabes honey que me gusta el party, pero no sin ti  
Pero no sin ti (bailo, bailo)

Don't mind touching my body  
Touching my body, touching my body  
Now don't lie taking me deeper  
Taking me deeper, taking me deeper  
Don't mind touching my body  
Touching my body, touching my body  
(Now don't mind)  
(All night)
