

Heaven

Inna

I wanna feel your hands all over my body
So pull me in closer, 'cause I need you tonight, yeah
Feel my heart beating, now I'm burning for more
Am I flying or falling in your arms?

Inside of me the fire breathes
And in the dark we keep on holding on
We're holding on
Inside of me the fire breathes
And in the dark we keep on holding on
We're holding on

Show your love on the floor, na na na
Go, na na na
Show your love on the floor, na na na
Go, na na na

When you look at me are you reading my mind?
Every time we get closer, do you see what I hide?
Yeah, it tastes like Heaven when I'm kissing your lips
Yeah, I can't get no higher than this

Inside of me the fire breathes
And in the dark we keep on holding on
We're holding on
Inside of me the fire breathes
And in the dark we keep on holding on
We're holding on

Show your love on the floor, na na na
Go, na na na
Show your love on the floor, na na na
Go, na na na

Alors, comment ça va?
Je penserai ce soir
À tous les jours et nuits perdu pour toi
On fait tout cette roulette
Tu me fais toucher le ciel
Laisse tomber la pluie, écoute-moi
Et tout le monde ça pour moi

Show your love on the floor, na na na
Go, na na na
Show your love on the floor, na na na
Go, na na na
