

# Left Right

Inna

Can you hear me?  
Call my name twice.  
Can you feel me?  
I treat you so nice.  
When you're up here  
I feel it's getting cold.  
Come around me  
And you will see my world.

Move with me to the left  
And then move with, move with  
Move with me to the right.  
Move with me to the left  
And then move with, move with  
Move with me to the right.

Just dance ...  
Just dance ...  
Just dance ...  
Just dance ...  
(So sexy)  
(So sexy)

Move with me to the left  
And then move with, move with  
Move with me to the right.  
Move with me to the left  
And then move with, move with  
Move with me to the right.

Just dance ...  
Just dance ...  
Just dance ...  
Just dance ...

(So sexy)

Move with me to the left  
And then move with, move with  
Move with me to the right  
Move with me to the left  
And then move with, move with  
Move with me to the right

Just dance ...  
Just dance ...  
Just dance ...  
Just dance ...  
Just dance ...  
Just dance ...  
Just dance ...  
Just dance ...
