

Maza Jaja

Inna

A bottle of rum
Champagne in my dome
But look what is done (Oh)
Since when you've been gone
And I'm all alone
I couldn't let go, oh

Ride or die
Don't know what is a day or night
Got me hooked on a crazy ride
Am I wrong if I feel alright?

And then my heart go
Maza jaja, maza jaja
Jane halo, bagende gada
Jane halo, bagende gada
(Twerk it up girl, twerk it up girl)
Maza jaja, maza jaja
Jane halo, bagende gada
Jane halo, bagende gada
(Jane halo, habidi gasa)

Two bottles of rum
And I'd be gettin' numb
My heart's like a drum (Oh)
Since when you've been gone
And I'm all alone
I couldn't let go, oh

Ride or die
Don't know what is a day or night
Got me hooked on a crazy ride
And my wrong if I feel alright?

And then my heart go
Maza jaja, maza jaja
Jane halo, bagende gada
Jane halo, bagende gada
(Twerk it up girl, twerk it up girl)
Maza jaja, maza jaja
Jane halo, bagende gada
Jane halo, bagende gada
(Jane halo, habidi gasa)

Maza jaja, maza jaja
Jane halo, bagende gada
Jane halo, bagende gada
(Jane halo)

And then my heart go
Maza jaja, maza jaja
Jane halo, bagende gada
Jane halo, bagende gada
(Twerk it up girl, twerk it up girl)
Maza jaja, maza jaja
Jane halo, bagende gada
Jane halo, bagende gada

(Jane halo, habidi gasa)

(Jane halo, habidi gasa)
