Oh

Inna

All the people tonight, put the hands in the sky
Come on boy, come on and get the rhythm of the music high
Wanna feeling about you, I love you and I don't know why
Everybody come on and get the rhythm of the music high

```
Sun is up
Move your body
I got moves
I give up all this body, I was
Sun is up, oh
Sun is up, oh
Sun is up, oh
Sun is up, oh
```

All the people tonight, put the hands in the sky Come on boy, come on and get the rhythm of the music high Wanna feeling about you, I love you and I don't know why Everybody come on and get the rhythm of the music high
