

Catch Me When I'm Coming

Inner Circle

You better catch me when I'm coming
You better catch me when I'm coming
With my music, with my song

You better catch me when I'm coming
You better catch me when I'm coming
With my music, with my song

Bad like lightning (bad like thunder)
Bad like lightning (bad like thunder)
Thank God, I never, never surrender, ooh, oh

You better catch me when I'm coming
You better catch me when I'm coming
With my music, with my song

You better catch me when I'm coming
You better catch me when I'm coming
With my music, with my song

Deeper and deeper I go, searching for the sound I know
Thank God, I never give up the fight, ooh, oh

Deeper and deeper I go, searching for the sound I know
Thank God, I never give up the fight, ooh, oh

Never give up (never give up)
Never give up (never give up)
Never give up (never give up)
Never give up (never give up)
Thank God, I'll never give up the fight

Never give up (never give up)
(Never give up) Never give up
(Never give up, never give up)
(Never give up) Never give up
(Never give up, never give up)
(Never give up) Never give up
(Never give up, never give up)
(Never give up) Never give up
(Never give up, never give up)
(Never give up..)
